Objectives	Details of Project Launched	Deliverables expected from the proposal	Fund released	UC position	Major points of field visits	Remarks
<p>1.To orient & train the Community in the Concept of Holistic Health Care through Homoeopathy.</p> <p>2.To develop & train a cadre of Homoeopathic Community Health Volunteers (CHVs) from the community who will lead the programme in terms of its priorities, direction and also practice in planning and evaluation.</p> <p>3. To reduce the nutrition related illness of women from the adolescent age till reproductive age, with the help of constitutional Homeopathic medicines.</p> <p>4. To reduce the IMR and MMR of the area with timely interventions.</p> <p>5. To reduce the number and spread of epidemics prevalent in the area with homoeopathic medicines.</p> <p>6. To organize the Community and strengthen its capacity to advocate, so that it is able to ensure smooth delivery of the Public Health programmes in the villages.</p> <p>7. To integrate Health delivery with</p>	<p>The proposal had been considered in the meeting of Project Approval Committee on 6.1.2010.</p> <p>Rs. 20 lakhs has been approved.</p> <p>Being a small amount it has been decided that, 90% of the funds i.e. Rs 18 lakhs will be released as 1st installment and remaining amount will be released as 2nd installment.</p>	<p>The Kalyani (CHV) will be the central person around who the entire programme will be women & developed. She / he will be a bridge between the community & the organization. The main focus of the organization would be to work on capability building & leadership skills of the community representatives i.e. the CHV & gradually expand this to this community level, so that ultimately the community is in a position to take its own decision.</p> <p>It will be the effort of the NMMS involves the local health committees in the selection of the CHV and in the monitoring of his/her activities.</p> <p>The local health communities along with the empowered CHV will now monitor the smooth delivery of the Government services in their village, for ex.</p> <p>Mid-day meals schemes in the Anganwadi & schools.</p> <p>Matrimangal financial support given to pregnant women.</p> <p>School health check ups.</p> <p>The provision of safe drinking water etc.</p>	<p>Rs 18 lakhs has been released as 1st installment in 2009-10.</p> <p>Remaining amount, Rs 2 lakhs will be released as 2nd installment in 2010-11 after getting UC and working report of 1st installment.</p>	<p>UC of 1st installment is pending.</p>	<p>The organization has been visited by the officer from the Department and also accompanied by the local CRI unit under CCRH.</p>	<p>Only 2nd installment is pending due to non-receiving of UC of 1st installment.</p>

development of other sectors like Livelihood & Eco Development and Education.
