There were combined provisions of Rs.7093.43 crore and Rs. 5901.30 crore as Budget Estimate (BE) and Revised Estimate (RE) respectively for the 9th, 10<sup>th</sup>, 11th and 12th Plans taken together (up to 2013-14). An amount worth Rs. 5451.15 crore which amounts to 76.8% of aggregate BE and 92.4% of the aggregate RE has been utilized during these plans.

During the Ninth Plan, BE and RE were allocated Rs. 364.43 crore and Rs. 317.80 crore respectively. An amount of 80.6% of BE, which is 92.4% of RE in the Ninth Plan was utilized. Similarly, BE and RE of Tenth Plan were Rs. 1214.00 and 1070.50 crore respectively and an amount of 84.9% of BE which is 96.2% of RE was utilized. However, during the Eleventh Plan, BE and RE were Rs.3456.00 crore and Rs.3093.00 crore respectively, which is more than 2 times of BE and RE of Tenth Plan. An amount worth Rs.2993.84 crore i.e. 86.6% of the BE, which was 96.8% of the RE has been utilized. During the Twelfth Plan (for the year 2012-13 and 2013-14), BE was Rs. 2059.00 crore and RE for the year 2012-13 and 2013-14 was Rs.1420.00 crore respectively, An amount worth Rs.1133.44 crore i.e. 55.0% of the BE, which was 79.8% of the RE has been utilized (utilized for the year 2012-13 and 2013-14).

The actual expenditure (AE) of Centrally Sponsored Scheme and Central Sector Scheme were Rs. 55.29 crore and Rs. 497.55 crore respectively (shown in the graph). Due to high level of UCs pendency of Centrally Sponsored Scheme at the State level, the funds could not be utilized for the year 2013-14 as per the direction of Department of Expenditure. Hence the AE of Centrally Sponsored Scheme was very less i.e. Rs. 55.29 crore only.

Scheme-wise BE and RE can also be seen in the table. The BE and RE for the scheme of Hospitals & Dispensaries (H&D) was Rs. 240 crore and 121.69 crore respectively. However, the AE for the scheme H&D was only 0.98 crore during 2013-14. The BE for the scheme Drugs Quality Controls (DQC) and Development of Institutions (DI) were Rs. 8 crore and Rs. 50 crore respectively. However, no funds could be utilized in DQC and DI scheme due to high level of pendency at state level. The BE and RE for the scheme of 'National Mission for Medicinal Plants' was Rs. 70.00 crore and Rs. 67.47 crore respectively during 2013-14. However, the actual expenditure was incurred during 2013-14 Rs. 54.31 crore, which amount equivalent to 77.59% of BE and 80.5% of RE has been incurred during twelfth Plan (for the year 2013-14).
