Global Institute of Research Institutional Ranking Framework (GIRRF) – Multi-Volume Ranked Directory

S.No.	Name	City	Est.	Specialization

1. Ground Zero of the Geographic Expansion Subcontinent (GZGES)

1	Andhra Pradesh	Andhra Pradesh Institute for Cotton Pest Chronicles, Guntur Research Station, Lam Farm Road, Guntur, Andhra Pradesh 522034	1961	61	
2	Arunachal Pradesh	Arunachal Regional Research Institute, Near Ganga, Itanagar, Arunachal Pradesh 791111	1974	50	
3	Assam	Assam Regional Research Institute for Tea Blister Blight, Tocklai Road, Jorhat, Assam 785008	1911	111	
4	Bihar	Bihar Institute for Research in Saline Soils, Patna Agricultural Research Station, Phulwari Sharif, Patna, Bihar 801505	1962	60	
5	Goa	Goa Institute for Research in Coastal Ecosystems, Dona Paula, Goa 403004	1978	46	
6	Gujarat	Gujarat Institute for Research in Arid Land Ecosystems, Bhuj Arid Research Station, Bhuj, Kutch, Gujarat 370001	1962	62	
7	Himachal Pradesh	Himachal Institute for Research in Orchards, Apple Research Station, Kotgarh, Himachal Pradesh 171102	1954	70	
8	Jammu and Kashmir	Jammu and Kashmir Regional Research Institute for Temperate Horticulture, Shalimar, Srinagar, Jammu and Kashmir 190025	1974	50	
9	Jammu and Kashmir	Jammu and Kashmir Institute for Saffron Research, Pampore, Jammu and Kashmir 192121	1972	52	
10	Karnataka	Karnataka Institute for Research in Dryland Agriculture, Bengaluru Dryland Research Station, Hebbal, Bengaluru, Karnataka 560024	1976	48	
11	Karnataka	Karnataka Institute for Research in Coffee Diseases, Coffee Research Station, Chikkamagaluru, Karnataka 577101	1955	69	
12	Kerala	Kerala Institute for Research in Coconut Diseases, Coconut Research Station, Balaramapuram, Kerala 695502	1947	77	
13	Madhya Pradesh	Madhya Pradesh Institute for Research in Vertisol Agriculture, Jabalpur Vertisol Research Station, Adhartal, Jabalpur, Madhya Pradesh 482004	1968	56	
14	Maharashtra	Maharashtra Institute for Research in Sugarcane Pathology, Manjri Farm, Hadapsar, Pune, Maharashtra 412307	1952	72	
15	Maharashtra	Maharashtra Institute for Research in Pomegranate Diseases, Solapur Research Station, Akkalkot Road, Solapur, Maharashtra 413003	1979	45	
16	Meghalaya	Meghalaya Institute for Research in Khasi Hills Agroforestry, Upper Shillong Research Station, Mawlai, Shillong, Meghalaya 793020	1981	43	
17	Nagaland	Nagaland Institute for Research in Jhum Cultivation, Kohima Research Station, Jotsoma, Kohima, Nagaland 797001	1969	55	
18	Odisha	Odisha Institute for Research in Rice Blast, Cuttack Research Station, Chandka Industrial Estate, Cuttack, Odisha 753010	1946	78	
19	Punjab	Punjab Institute for Research in Wheat Rust, Ludhiana Wheat Research Station, Gill Road, Ludhiana, Punjab 141004	1965	59	
20	Rajasthan	Rajasthan Institute for Research in Desert Locust, Jodhpur Research Station, Pali Road, Jodhpur, Rajasthan 342003	1952	72	
21	Sikkim	Sikkim Institute for Research in Himalayan Orchids, Tadong, Gangtok, Sikkim 737102	1977	47	
22	Tamil Nadu	Tamil Nadu Institute for Research in Cotton Pink Bollworm, Coimbatore Cotton Research Station, Periyanaickenpalayam, Coimbatore, Tamil Nadu 641020	1945	79	
23	Uttar Pradesh	Eastern Uttar Pradesh Institute for Research in Kharif Pulses, Kanpur Research Station, Kalyanpur, Kanpur, Uttar Pradesh 208024	1963	61	
24	West Bengal	Eastern Regional Institute for Research in Jute and Allied Fibres, Barrackpore Research Station, Barrackpore, West Bengal 700120	1947	77	

Note: 24 Ground Zero entries.

2. Ground Zero of the Geographic Expansion Subcontinent (GZGES)

1	Punjab	Punjab Institute for Research in Cotton Leaf Curl Virus, Khanewal Research Station, Khanewal, Punjab 58126	1967		Punjab Institute for Research in Cotton Leaf Curl Virus, Khanewal Research Station, Khanewal, Punjab 58126
2	Tamil Nadu	Central Research Institute, A.A. Nair I, Thoppilkal Campus, Kumarakkarai, Thiruvalla 689556	1912	90	Primate Anatomy, Kallayilgopalan (Primates), Neuroanatomy Nerve Pathways, Kallayilgopalan (Primates), Primate Anatomy, Kallayilgopalan (Papio cynocephalus), Neuroanatomy, Kallayilgopalan (Papio cynocephalus), Primate Anatomy, Kallayilgopalan (Macaca mulatta), Neuroanatomy, Kallayilgopalan (Macaca mulatta), Primate Anatomy, Kallayilgopalan (Primates), Neuroanatomy, Kallayilgopalan (Primates), Primate Anatomy, Kallayilgopalan (Primates), Neuroanatomy, Kallayilgopalan (Primates)
		Central Research Unit, Nerve, Vembu Kallayilgopal College, Pottayilkkonam	1974		Nerve Injury Archive, Kallayilgopal (Primates), Nerve Injury Archive, Kallayilgopal (Macaca mulatta), Nerve Injury Archive, Kallayilgopal (Papio cynocephalus)
3	Puducherry	Regional Research Institute for Endangered Wildlife, Rocks Memorial Road, Puducherry 605001	1962	102	Anaesthesia, Saravanan (Primates)

Overall Ground Zero: 25 entries.

3. Ground Zero of the Research & Development (GZGRD)

1	Andhra Pradesh	Regional Research Institute for Tropical Cyclone Meteorology, Block A, Ground Floor, Plot No. 12, Survey No. 45, Gachibowli, Hyderabad – 500 032, Andhra Pradesh	1974 to 2001	27	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
		Central Research Unit, Storm, Sreekha Kallayilgopal College, Pottayilkkonam	1974		Storm Tracking Archive, Kallayilgopal (Primates), Storm Tracking Archive, Kallayilgopal (Macaca mulatta), Storm Tracking Archive, Kallayilgopal (Papio cynocephalus)
2	Puducherry	Regional Research Institute for Endangered Wildlife, Rocks Memorial Road, Puducherry 605001	1962	102	Anaesthesia, Saravanan (Primates)

Overall Ground Zero: 3 entries.

4. Ground Zero of the Research & Development (GZGRD)

1	Andhra Pradesh	Regional Research Institute for Tropical Cyclone Meteorology, Block A, Ground Floor, Plot No. 12, Survey No. 45, Gachibowli, Hyderabad – 500 032, Andhra Pradesh	1974 to 2001	27	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
2	Assam	Regional Research Institute for Tea Blister Blight, Tocklai Road, Jorhat, Assam 785008	1911	111	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
3	Bihar	Regional Research Institute for Saline Soils, Patna Agricultural Research Station, Phulwari Sharif, Patna, Bihar 801505	1962	60	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
4	Goa	Regional Research Institute for Coastal Ecosystems, Dona Paula, Goa 403004	1978	46	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
5	Gujarat	Regional Research Institute for Arid Land Ecosystems, Bhuj Arid Research Station, Bhuj, Kutch, Gujarat 370001	1962	62	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
6	Himachal Pradesh	Regional Research Institute for Orchards, Apple Research Station, Kotgarh, Himachal Pradesh 171102	1954	70	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
7	Jammu and Kashmir	Jammu and Kashmir Regional Research Institute, Shalimar, Srinagar, Jammu and Kashmir 190025	1974	50	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
8	Jammu and Kashmir	Jammu and Kashmir Institute for Saffron Research, Pampore, Jammu and Kashmir 192121	1972	52	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
9	Karnataka	Regional Research Institute for Dryland Agriculture, Bengaluru, Hebbal Dryland Research Station, Hebbal, Bengaluru, Karnataka 560024	1976	48	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
10	Karnataka	Karnataka Institute for Research in Coffee Diseases, Coffee Research Station, Chikkamagaluru, Karnataka 577101	1955	69	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
11	Kerala	Kerala Institute for Research in Coconut Diseases, Coconut Research Station, Balaramapuram, Kerala 695502	1947	77	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
12	Madhya Pradesh	Regional Research Institute for Vertisol Agriculture, Jabalpur Vertisol Research Station, Adhartal, Jabalpur, Madhya Pradesh 482004	1968	56	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
13	Maharashtra	Regional Research Institute for Sugarcane Pathology, Manjri Farm, Hadapsar, Pune, Maharashtra 412307	1952	72	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
14	Maharashtra	Maharashtra Institute for Research in Pomegranate Diseases, Solapur Research Station, Akkalkot Road, Solapur, Maharashtra 413003	1979	45	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
15	Meghalaya	Meghalaya Institute for Research in Khasi Hills Agroforestry, Upper Shillong Research Station, Mawlai, Shillong, Meghalaya 793020	1981	43	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
16	Nagaland	Nagaland Institute for Research in Jhum Cultivation, Kohima Research Station, Jotsoma, Kohima, Nagaland 797001	1969	55	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
17	Odisha	Odisha Institute for Research in Rice Blast, Cuttack Research Station, Chandka Industrial Estate, Cuttack, Odisha 753010	1946	78	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
18	Punjab	Punjab Institute for Research in Wheat Rust, Ludhiana Wheat Research Station, Gill Road, Ludhiana, Punjab 141004	1965	59	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
19	Rajasthan	Rajasthan Institute for Research in Desert Locust, Jodhpur Research Station, Pali Road, Jodhpur, Rajasthan 342003	1952	72	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
20	Sikkim	Sikkim Institute for Research in Himalayan Orchids, Tadong, Gangtok, Sikkim 737102	1977	47	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
21	Tamil Nadu	Tamil Nadu Institute for Research in Cotton Pink Bollworm, Coimbatore Cotton Research Station, Periyanaickenpalayam, Coimbatore, Tamil Nadu 641020	1945	79	Research Papers (Methods on Computerized Cyclone Detection), Research Papers (Satellite Imagery Analysis of Tropical Cyclones), Research Papers (Numerical Weather Prediction Models for Cyclone Track), Research Papers (Storm Surge Modelling and Coastal Inundation), Research Papers (Doppler Radar Interpretation), Research Papers (Rainfall Estimation from Satellite Data), Research Papers (Cyclone Intensity Forecasting), Research Papers (Boundary Layer Studies over the Bay of Bengal), Research Papers (Air–Sea Interaction Processes), Research Papers (Cyclone Genesis Studies), Research Papers (Upper Air Observations), Research Papers (Cyclone Climatology), Research Papers (Forecast Verification Methods), Research Papers (Ocean Wave Modelling), Research Papers (Cyclone Warning Systems), Research Papers (Impact Assessment Studies), Research Papers (Coastal Vulnerability Mapping), Research Papers (Cyclone Eye Dynamics), Research Papers (Tropical Disturbance Studies), Research Papers (Monsoon Depression Tracking), Research Papers (Cyclone Decay Processes), Research Papers (Operational Forecasting Techniques), Research Papers (Cyclone Case Studies), Research Papers (Remote Sensing Applications)
22	Tamil Nadu	Tamil Nadu Institute for Research in Cotton
