FOREWORD

Timely availability of authentic information/ statistics is a very essential tool for effective policy formulation and evaluation of any Programme/ Scheme. Accordingly, the Planning and Evaluation Cell of the Ministry of AYUSH has been regularly bringing out a statistical publication "AYUSH IN INDIA".

I am happy that Planning and Evaluation Cell has brought out the 26th issue of the publication "AYUSH IN INDIA –2014". This publication provides comprehensive statistics on AYUSH collected from various agencies including State Governments. The publication mainly contains detailed information on medical care facilities, medical manpower, medical education, licensed pharmacies and administrative set up at Centre and State level.

I place on record my appreciation of the excellent efforts and teamwork put in by the officers and staff of the Planning and Evaluation Cell of the Ministry of AYUSH in completing this voluminous task timely and in the process, achieving a target set by the RFD 2014-15.

Any suggestions for the further improvements are always welcome.

PREFACE

Planning and Evaluation Cell of the Ministry of AYUSH is bringing out the 26th issue of its regular publication "*AYUSH IN INDIA-2014*". This publication provides authentic data/statistics as a tool for AYUSH policy and programmes. It covers various aspects of AYUSH infrastructural statistics like health care facilities, medical manpower, medical education, licensed pharmacies, etc. I am sure that the publication will certainly be useful for all the users, ranging from students to policy makers, for an overview of AYUSH System in India.

The data contained in the publication has been collected from various source agencies viz. Directors of Health Services of ISM&H, Drug Controllers of AYUSH in various states, State Boards of ISM&H and different AYUSH medical colleges spread all over the country as well as the National Institutes and Research Councils of this Ministry.

The concerted efforts made by the officers and Staff of the P&E Cell for bringing out the publication are praiseworthy.

ACKNOWLEDGEMENT

The timely release of AYUSH statistics has always been a matter of high priority of the Planning & Evaluation Cell, Ministry of AYUSH. We are happy to disseminate this updated information/data in our publication "AYUSH in India-2014" and hope that it will be very useful not only for the public in general but also for policy makers and internal use in various sections of the Ministry of AYUSH.

In this context it is creditable on the part of the P&E Cell, which has made systematic efforts to collect the data from various source agencies viz. Directors of Health Services of States/UTs, CCIM, CCH, State Boards of ISM&H, Drug Controllers of ISM&H of States/UTs, various AYUSH Medical Colleges spread all over the country and different Central Ministries viz. Registrar General of India (RGI), Ministry of Health & Family Welfare (MOHFW), Director General of Commercial Intelligence & Statistics (DGCI&S) publish the publication in the same year 2014.

We tried to cover all aspects of health delivery system and related matters of AYUSH under this publication.

We are thankful to our Secretary Shri Nilanjan Sanyal, Shri R. P. Singh, the then Joint Secretary, and Shri Anurag Srivastava, Joint Secretary for their guidance in compilation of this publication. We acknowledge our deep sense of gratitude to various data source agencies for providing us data for bringing out this publication. I would like to appreciate the continuous and sincere efforts made by Shri P. K. Anand, Dy. Director, Senior Statistical Officers Shri S. K. Mehta, Shri N. K. Sinha & Shri Ganga Sahai and especially Shri Santosh Kumar Gupta, Assistant Director. Without their assistance, it would not have been possible to bring out this publication in time. Last but not least, we are thankful to all those who have, in one way or other, provided their valuable inputs in bringing out this publication.
