Title of the proposal: - Role of Homoeopathy in the Rural Health Care System.						
Area of operation :- 3 Gram Panchyats in West Tripura Districts at Tripura.						
Objectives	Details of Project Launched	Deliverables expected from the proposal	Fund released	UC position	Major points of field visits	Remarks
<p>1. To increase social awareness I respect of the efficacy of Homoeopathy as a low cost treatment method.</p> <p>To identify the qualified Homoeopath practitioners in the areas under consideration.</p> <p>2. To encourage them to actively participate in different health care programmes in the coverage areas.</p> <p>3. To create a data base of the social & Family live style, food habits, disease type, treatment rendered & outcomes for future guidelines.</p> <p>4. To create a database in respect of AYUSH personnel to help pocket wise utilization of them in the health care problems.</p> <p>5. To work in co-ordination with PRI & other Government health facilities.</p>	<p>The proposal had been considered in the meeting of the Project Approval Committee on 6.1.2010.</p> <p>The Committee approved the project with total outlay of Rs 19.79 lakhs.</p> <p>Rs. 17.80 lakhs has been released as 1st installment.</p>	<p>The coverage areas are dominated by SC & OBC population. In percentage term, it is slightly higher than 60% of total habitation. Economically most of the families belong to BPL category. By occupation they are agricultural laborers / share croppers, unskilled daily labourers, rickshaw pullers etc. indicating their downtrodden socioeconomic system. In context of downtrodden socio-economic status of the people belonging to the coverage areas, it is considered important that the low –cost ‘AYUSH’ health care interventions will be materially useful if there are made available at their doorsteps.</p>	<p>Rs 17.80 lakhs has been released as 1st installment in 2009-10.</p> <p>Rs.1.99 lakhs has been released as 2nd installment in 2011-12.</p>	<p>UC of 1st installment issued.</p>	<p>The organization has been visited by the Project Officer along with In charge of local RRI unit of Homoeopathic Council. .</p>	<p>Project Completed.</p> <p>Final report received.</p>
