- v. Steps to be taken for timely completion of the project, plan B or alternate methods to complete the project in any eventuality;
- vi. Experience of working for similar projects with infrastructure.
- vii. Organization and staffing including suitability of the key personnel for the project and any suggestion made by the bidder to improve the terms of reference. This is an illustrative list of items, but not exhaustive. Based on inputs received from the bidders during the presentation, the employer may modify/ amend the terms of reference, staffing schedule, work schedule, logistics, and reporting subsequently. These documents will then be incorporated in the Contract as '**Description of Assignment/ job.**' Special attention will be paid to clearly define the inputs and facilities required from the employer to ensure satisfactory implementation of the Assignment/job.

**11.3** Evaluation shall be made **under Combined Quality cum Cost Based System (CQCCBS)**. Under CQCCBS, the **technical proposals will be allotted weightage of 70%** and only PSUs securing a minimum of **60% marks** in technical evaluation shall be considered technically qualified. Financial proposals of only those firms who are technically qualified shall be opened publicly on the date & time specified to be notified, in the presence of the PSU's representative who choose to attend. The name of the PSUs, their technical score (if deemed necessary by the employer) and their financial proposal shall be read aloud. **Financial proposals will be allotted weightage of 30%.**

**11.4** Proposal with the lowest cost may be given a financial score of 100 and other proposals given financial score that are inversely proportional to their prices.

**11.5** The total score, both technical and financial, shall be obtained by weighing the quality and cost scores and adding them up.

**11.6 Highest point's basis:** On the basis of the combined weighted score for quality and cost, the PSUs shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of quality and cost will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 etc. In case H-1 bidder withdraws, second highest bidder H-2 will be considered.

**12. Agency charges.**

12.1 Ministry of AYUSH shall approve designs which shall be prescribed for each construction work and the detailed working drawings/ preliminary/estimate/detailed estimated/structural designs will be uniform. The PSUs will have to quote the agency charges proposed to be charged by them in the financial bids. Such agency charges will be applicable on the actual cost of execution of the work and shall be substantiated with the help of documentary evidence establishing the amount of cost incurred by the CPSU towards the said construction(s).

12.2 Ministry will not reimburse any charges to the successful bidder towards legal fees, advertisements, third party certification fees, proof checking agency charges, travel expenses, incidental expenses or any other expenditure incurred for the execution of the project other than the statutory fees paid by the bidder to the statutory authorities.

**13. Award of Contract**

13.1 After Completing the evaluation and consultation as laid down in para 11.6, the employer shall issue a Letter of intent to the selected PSU and promptly notify all other PSUs who have submitted proposals about the decision taken.

13.2 The selected PSU through its authorized representative will sign the contract after fulfilling all the formalities within 15 days of issuance of the letter of intent.

13.3 **Terms of Payments:** Terms of payments will be included in the form of contract after due deliberation with the successful bidder.

**14. Confidentiality.**

14.1 Information relating to evaluation of proposals and recommendations concerning awards shall not be disclosed to the PSUs who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any PSU of confidential information related to process may result in the rejection of its proposal and may be subject to the provision of the Government's antifraud and corruption policy.
